

South Pasadena Unified School District

Application Letter to Households

California Department of Education
Pricing Letter to Household (Revised May 2020)
School Year 2024–25

Dear Parent or Guardian:

The South Pasadena Unified School District participates in the National School Lunch Program and/or School Breakfast Program by offering nutritious meals every school day. California's State Meal Mandate is expanded to include both a nutritiously adequate breakfast and lunch for, not just needy children, but all children each school day.

SY 2024–25, The California Universal Meals Program, AB 130, requires public school districts serving students in grades K–12 to provide two meals free of charge (breakfast and lunch) during each school day to students requesting a meal, regardless of their free or reduced-price meal eligibility.

Although meals will be free for all, the state continues to require school districts to distribute and collect Benefit applications. Benefit applications, also known as free/reduced-price meal applications, allow the district to collect essential data needed to qualify for additional school funding intended to support academic programs for your student. Additionally, free/reduced eligibility can qualify households for things such as discounted internet services, P-EBT benefits, discounted rates on your energy bill, and more. Households are encouraged to apply online at [LINQ Connect Meal Application](#)

Paper applications will be available at each school site office. You or your children do not have to be United States citizens to qualify for free or reduced-price meals. If there are more household members than the number of lines on the application, attach a second application.

Qualification

Your children may qualify for free or reduced-price meals if your household income falls at or below the federal Income Eligibility Guidelines below.

Applying for Benefits

An application for free or reduced-price meals cannot be reviewed unless all required fields are completed. A household may apply at any time during the school year. If you are not eligible now, but your household income decreases, household size increases, or a household member becomes eligible for CalFresh, California Work Opportunity and Responsibility to Kids (CalWORKs), or Food Distribution Program on Indian Reservations (FDPIR) benefits, you may submit an application at that time.

Direct Certification

An application is not required if the household receives a notification letter indicating all children are automatically certified for free meals. If you did not receive a letter, please complete an application.

Verification:

School officials may check the information on the application at any time during the school year. You may be asked to submit information to validate your income or current eligibility for CalFresh, CalWORKs, or FDPIR benefits.

Women, Infants, and Children (WIC) Participants

Households that receive Special Supplemental Nutrition Program for WIC benefits, may be eligible for free or reduced-price meals by completing an application.

Homeless, Migrant, Runaway, and Head Start

Children who meet the definition of homeless, migrant, or runaway, and children participating in their school's Head Start program are eligible for free meals. Please contact Marina Thompson for assistance at 626-441-5810.

Foster Child

The legal responsibility must be through a foster care agency or court to qualify for free meals. A foster child may be included as a household member if the foster family chooses to apply for their non-foster children on the same application and must report any personal income earned by the foster child. If the non-foster children are not eligible, this does not prevent a foster child from receiving free meals.

Fair Hearing

If you do not agree with the school's decision regarding your application's determination or the result of verification, you may discuss it with the hearing official. You also have the right to a fair hearing, which may be requested by calling or writing to the following: Dave Lubs, Assistant Superintendent of Business, 1100 El Centro Street, South Pasadena, CA 91030. 626-441-5810.

Eligibility Carryover

Your child's eligibility status from the previous school year will continue into the new school year for up to 30 operating days or until a new determination is made. When the carryover period ends on September 14th, your child will be charged the full price for meals, unless the household receives a notification letter for free or reduced-price meals. School officials are not required to send a reminder or expired eligibility notices.
